MECHANICAL REQUIREMENTS

The *PCI Member Directory* is spiral bound. Final crops will be set at layout; please allow extra bleed to enable minor adjustments on the binding side (3/8 in. is recommended).

Final trim size — 8 1/8 in. x 10 7/8 in. Keep all vital content inside the 7 in. x 10 in. live area. Ads must be created at 100%.

Publisher's protective clause — Advertisers and their agencies assume liability for all content (including text, representation, and illustrations) of advertisement printed, and assume responsibility for any claims arising therefrom made against the publisher.

Rate protection — The publisher may revise rates on 90 days' notice. Advertisers may cancel their orders at the time the change in rates becomes effective without incurring a short rate adjustment, provided the rate has been earned up to the date of cancellation.

Publisher error — The publisher's liability for any error will not exceed the cost of printing for the page(s) in question.

NOTE: PCI preflights all ads to find problems such as missing fonts, low-resolution photos, or color problems. PCI is not responsible for improperly prepared files. PCI will attempt to notify agency/advertiser if a problem is found with native files or pdfs. **PDF files cannot be altered once received,** so any changes necessary will need to be submitted as a new file. The publisher is not responsible for improperly submitted files, but will request that they be resubmitted. If you have any questions, please call (312) 360-3217 or email pgrignonis@pci.org.
