

NEWS RELEASE**Cheryl Lang Promoted to President & CEO of Tindall Corporation**

[Spartanburg, S.C.] - [Tindall Corporation](#), a leading provider of precast, prestressed concrete solutions, is proud to announce the promotion of Cheryl Lang to the position of President & CEO of the company effective July 1st.

Lang joined Tindall in 1990 as a Controller until 2006, when she was named Vice President and CFO. She was promoted again in 2022 to the role of Senior Vice President of Administration, where she was responsible for accounting and finance, human resources, safety, trucking, information technology, and marketing. In 2023 Lang became acting President, along with her newly appointed CEO title, Lang will continue to assume the duties of overseeing the day-to-day operations of the business.

"After more than thirty years of dedicated service, Cheryl brings a wealth of experience, business knowledge and solid leadership skills to this role." said Greg Force, previous CEO of Tindall Corporation. "I am confident she and her team will do an excellent job proving Tindall to be the company with whom our customers and our employees will want to invest their futures."

In addition to her professional career, Lang is also active in several organizations in the Upstate community and industry-specific memberships, including Women Giving for Spartanburg, First Presbyterian Church, the South Carolina Association of CPAs (SCACPA) and the Precast Concrete Institute (PCI). Lang graduated from East Tennessee State University with a degree in business and earned a master's degree in business administration from Clemson University.
